

QALALAASAHA DUMARKA LOOLA JEEDO MA BILOWDO UUN. WUU KORDHAA.

Celcelis ahaan:

- Hal dumar ah ayaa u dhinta toddobaad kasta gacanta saygeeda hadda ama mid hore.
- Hal saddexdii dumar ahba waxay ahaayeen dhibane qalalaase jireed ama galmo, ilaa iyo da'deedii 15naad, kaas oo kaga imanaya qof ay yaqaanaan.
- Hal afartii dumar dhalinyaro ahi waxay diyaar u yihiin inay iska dhaafaan qalalaasaha saygeeda.

Kani waa wareega qalalaasaha, ee ka bilowda xushmaddarada ku wajahan gabdhaha iyo dumarka. Markaan sameyno raalligelin sida “Waa wiillal oo wiillal uun noqonaya” ama “Wuxuu u sameeyey oo kaliya inuu ku jecel yahay”, waxaan ogolaanaa qaababkaas aan xushmadda lahayn inay ilmaheenu ku dhexkoraan.
