

**THE MORE YOU
STAY SILENT,
THE MORE THEY
THINK IT'S OK.**

Our young people can learn disrespect towards women when they are young. We might feel shame or be embarrassed about getting involved and speaking up when we see disrespectful behaviour happening. We might fear what someone might think if we say something. Staying silent tells our kids disrespect is OK.

Even the smallest action will help stop the cycle of disrespect. It can be as simple as talking to our kids about respectful relationships.

We all have the power to end violence.

**VIOLENCE AGAINST WOMEN
LET'S STOP IT
AT THE START**

**IF YOU SEE DISRESPECT
UNMUTE YOURSELF, SPEAK UP.**
